Please read the description of the Claimant Pools below.

Claimant Pool I: If you were employed by Intuit and were considered for, but not offered, a position at eBay during the Settlement Period, and have been identified as a member of Claimant Pool I, you will receive between \$5,000 and \$10,000, a prorated distribution from a pool of \$200,000. There are approximately 40 persons in Claimant Pool I.

Claimant Pool II: If you were employed by Intuit and applied for, but was not offered, a position at eBay during the Settlement Period, and are not a member of Claimant Pool I, you will receive between \$1,000 and \$1,500, a prorated distribution from a pool of \$950,000. There are approximately 950 persons in Claimant Pool II.

Claimant Pool III: If you were employed by eBay or Intuit during the Settlement period and are not a member of Claimant Pool I or Claimant Pool II, and your employment can be reasonably confirmed, you will receive between \$100 and \$150, a prorated distribution from a pool of \$1,225,000.

Please note that while some affected California natural person may meet the criteria for more than one Claimant Pool, a affected California natural person may recover as a member of only one of the three Claimant Pools.
